§ 915.4 Capital stock report.

(a) On or before April 10 of each year, each Bank shall submit to the Finance Board a capital stock report that indicates, as of the record date, the number of members located in each voting state in the Bank's district, the number of shares of Bank stock that each member (identified by its FHFB ID number) was required to hold, and the number of shares of Bank stock that all members located in each voting state were required to hold. If a Bank has issued more than one class of stock, it shall report the total shares of stock of all classes required to be held by the members. The Bank shall certify to the Finance Board that, to the best of its knowledge, the information provided in the capital stock report is accurate and complete, and that it has notified each member of its minimum capital stock holdings pursuant to § 925.22(b)(1) of this chapter.

(b) If a Bank's capital plan was not in effect as of the record date, the number of shares of Bank stock that the members are required to hold as of the record date shall be determined in accordance with § 925.20 and § 925.22. If a Bank's capital plan was in effect as of the record date, the number of shares of Bank stock that the members were required to hold as of that date shall be determined in accordance with the minimum investment established by the capital plan for that Bank, provided, however, that for any members whose Bank stock is less than the minimum investment during a transition period, the amount of Bank stock to be reported shall be the number of shares of Bank stock actually owned by those members as of the record date.

§ 915.5 Determination of member votes.

(a) *In general.* Each Bank shall determine, in accordance with this section, the number of votes that each member of the Bank may cast for each directorship that is to be filled by the vote of the members that are located in a particular state.

(b) *Number of votes.* For each directorship that is to be filled in an election, each member that is located in the state to be represented by the directorship shall be entitled to cast one vote for each share of Bank stock that the member was required to hold as of the record date. Notwithstanding the preceding sentence, the number of votes that any member may cast for any one directorship shall not exceed the average number of shares of Bank stock that were required to be held by all members located in that state as of the record date. If a Bank has issued more than one class of stock, it shall calculate the average number of shares separately for each class of stock and shall apply those limits separately in determining the maximum number of votes that any member owning that class of stock may cast in the election. If a Bank's capital plan was not in effect as of the record date, the number of shares of Bank stock that a member was required to hold as of the record date shall be determined in accordance with § 925.20 and § 925.22. If a Bank's capital plan was in effect as of the record date, the number of shares of Bank stock that a member was required to hold as of the record date shall be determined in accordance with the minimum investment established by the Bank's capital plan, provided, however, that for any members whose Bank stock is less than the minimum investment during a transition period, the amount of Bank stock to be used shall be the number of shares of Bank stock actually owned by those members as of the record date.

(c) *Voting preferences.* If the board of directors of a Bank includes any voting preferences as part of its approved capital plan, those preferences shall supercede the provisions of paragraph (b) of this section that otherwise would allow a member to cast one vote for
